

8 Reasons to Become an IMA Student Member

If you're a student looking to build a successful career in accounting and finance and want to join a global network of approximately 140,000 professionals, then IMA® (Institute of Management Accountants) student membership is your perfect solution.

1 Earn the CMA certification

The CMA® (Certified Management Accountant) certification is sought after by employers all over the world. CMAs earn a median total compensation that is 76% higher than non-CMAs globally.*

2 Access to "myIMA Network"

This exclusive member social platform is designed to help you make valuable connections as well as engage with other members who have similar interests.

3 Introducing the FMAA

The FMAA™ (Financial and Managerial Accounting Associate) instills the fundamental knowledge and competencies in accounting and finance, allowing professionals early in their careers to showcase their expertise to employers and build a foundation to expand their skills.

4 Attend members-only events

Network with peers and industry experts, learn about the latest trends shaping accounting and finance, and develop key skills that set you apart.

5 Free webinars and Leadership Academy

Dive into 50+ free webinars every year, including strategic management, development programs, RPA, data analytics & visualization fundamentals, and empowerment tools will guide you to becoming a leader within the profession.

6 Membership is affordable!

For just \$49, you get access to all these benefits, resources, and much more.

7 Student Awards and Competitions

Gain dynamic networking experience and get acknowledged for your outstanding leadership efforts at IMA's Student Case Competition, Student Leadership Conference, Regional Conferences, and our Women's Leadership Summit.

8 Get involved with your local community

IMA student chapters are communities dedicated to connecting accounting, finance, and business students on college campuses. These chapters engage in various activities including spreading the word about IMA on campus, sponsoring talks and discussions with local business leaders, helping students make career decisions, and providing community service.
